Presentation Sisters

IRELAND

Our mission as
Presentation Sisters is to
offer hope, love and
hospitality to the world by
confronting injustice and
working for peace.

We invite you to
explore life as a
Presentation Sister.

"The moment I stepped foot on the grounds of the convent, I felt a wave of peace and relief wash over me that I hadn't felt in a long time. All of the sounds of the busy city centre just seemed to disappear. I had some wonderful conversations that day and met some fantastic women that I hope will be in my life for many years to come, no matter what path I decide to take. It was also great to meet other young women who were also discerning". Eve, 2019 Open Day Attendee
